SHAUN WAKASHIGE

INTERACTIVE MEDIA DEVELOPER | THESWAK.COM

OBJECTIVE

I am looking to strengthen myself as a developer in the latest web technologies. My passion has always fallen into interactive media as with my college education. Now working independently for the past year, I have been wanting to immerse myself with other projects with fun team atmosphere

SKILLS

Web Design & Development, Graphic Design, Game Programming, Full-Stack, Front and Backend Development, Music Production, Mobile Design, Programming Languages listed on linkedin

EXPERIENCE

WEB FULLSTACK ONLINE SOLUTIONS • THESWAK • 2010 – NOW

Created an all-in-one solution for businesses as a freelancer designer. My design expanded into handling VPS, Dedicated and Shared Server Management. Increased awareness and consumer base for businesses.

VP E-COMMERCE & DESIGN • NATURAL LIFESTYLE BRANDS, INC. • 2009 – 2010

Web marketing lead for all online marketing campaigns and private label services one wholesale and two retail websites.

EDUCATION

2009 • MASTERS IN MUSIC PRODUCTION AND TECH • BERKLEE COLLEGE OF MUSIC

participated in private collaborations with other student's post-graduation - released songs from my catalog under BMI and collaborating with other producers around the world

2005 • BS IN INTERACTIVE MEDIA DESIGN • AILA

Helped in the creation of the Interactive Media Pro Team. Received best portfolio for degree graduation.

VOLUNTEER EXPERIENCE OR LEADERSHIP

Consulting for many small businesses, I helped companies over many years manage all social websites expand user retainability, if I am registered partner and/or affiliate. Links Below.
